<p><b>**1 point is given for each leg of the VC <u>IF</u> it is earned via the VC program. If the VC is earned via titles, the title points apply as they add up to more points than the VC. Example: Get has CH and CD, but got the VC for the hunting portion via the Versatility program. Get receives 3 points for the CH, 2 points for the CD, and 1 point for the hunting portion of the VC.</b></p>
