The Top Ten Rally begins each year on January 1, using average scores with no regard to a minimum number of scores. When there are 6 dogs with 3 scores within a division (Novice, Advanced, Excellent), a minimum of 3 scores are required to average and rank. After a dog has accumulated 10 scores in a division, 80% of those scores are used for averaging, using the highest scores. To be ranked in the Final Top Ten Rally, a minimum of 3 scores in a division is required.
