Gun Dogs

The Top Ten Gun Dog is tabulated annually.

For Open, only placements from OLGD, OLAA, NGDC (VCA and AKC), and NFC are used.

For Amateur, only placements from ALGD, ALAA, NAFC are used.

All placements at trials held January 1 through December 31 of each year are used. Each dog starts out at zero on January 1 of each year. The final listing for gun dogs (November/December) is not published until the 2nd quarter of the following year in order to allow time for all trials held the previous year to be recorded through AKC.

Puppy/Derby

The Puppy/Derby rankings accrue for all placements earned in Open Puppy or Open Derby only.

Each Puppy/Derby will remain on the list and be eligible to accrue points until their second birthday.

2nd Place: 3 times the number of dogs defeated in the stake
