

50 Chairs for Linda Keeton - SOLD OUT

The VCA National Events is the occasion, annually, when we gather to showcase our dogs in multiple venues, re-connect with old friends and meet new ones. It is also a moment when we raise money to support the breed, through the Silent Auction and the Raffle.

This year, we take the lead from other Parent Breed Clubs and offer a unique fundraising opportunity to honor one of our own as a way to celebrate her accomplishments and significant contribution to our vizsla community. Linda and her husband Denny started Linden Vizslas in 1980. She worked tirelessly for the breed ever since, serving on the Board of Directors and as an Officer of both the Miami Valley Vizsla Club and the Vizsla Club of Greater Cleveland. Linda a Field Trial and Hunt Test Judge. The Keeton's have offered their property over the years to run Hunt Tests.

In 1995, Linda was diagnosed with COPD and advanced stage of Emphysema. She was approved and underwent a double lung transplant in July, 2007. It has been a long road to come back and then she suffered a heart attack in January, 2009. Her friends will tell you that she is a fighter and no one competes as rigorously as Linda.

The VCA National Events Committee is selling 50 ringside seats at \$50 each for Thursday and Friday's judging at the specialty show. The proceeds will go to assist Linda in her daily needs. Each reserved chair will have a chair cover with the name or kennel of each sponsor, designed and sewn by Judy Richey (Everwhen Vizslas). Reservations will be limited to 4 per sponsor. There will be plenty of unreserved seating available after the first 50 reserved chairs sell-out.

Time and time again, our wonderful vizsla community comes together to take care of our own. This is one of those times. We invite you to sit side by side, in 50 chairs, for Linda Keeton.
