VCA Medallion Program

VCA provided medallions are available for pickup at the nationals for all members whose dogs earned ***their first*** AKC title or VCA versatility certificate. The awards year includes all titles published in the American Kennel Club Awards from October through September (of the record year). Please remember that the publication date is several months after the title is earned and that medallions are awarded only when published. Requests for VCA provided medallions after 12/31 of the record year will be handled as *purchase* requests.

Medallions are available for purchase for *any* title (even previous record years) if proof of the title is provided. Proof shall be either a copy of the AKC title certificate or a printout from AKC's website showing the requirements have been met.

In order to receive a VCA medallion (club provided or purchased), at least one of the owners of record must be a current VCA member. Only one medallion will be issued per title.

If you are entitled to, or wish to purchase, a medallion, and are unable to arrange for it to be picked up (anyone, with your permission, can sign for and pick up your medallions) at any of the National Events, you may have it mailed by sending a check ***payable*** in U.S. funds ***to VCA*** in care of: Debbie Sullivan 8420 Sullivan Lane Orange, TX 77632

The cost to mail VCA provided medallions is $2 each. The cost to purchase medallions is $10 each, shipping included. Email any questions to: regalpointvizslas@yahoo.com
